RE : Lithuania's NATO membership in danger

EMERGENCY ALERT

On Thursday, February 16, 1995 the U.S. House of Representatives will vote on a bill called, H.R. 7, the National Security Revitalization Act, which effectively excludes Lithuania from future NATO membership. Keep your Congressman from making a terrible mistake - especially on Lithuania's Independence Day. H.R. 7 must be amended to keep Lithuania eligible for early NATO membership and prevent a Russian veto.

Please call your Congressman no later than Thursday, February 16, 1995 and tell him/her to support the Durbin amendments to H.R.7.

Without the Durbin amendments, the House of Representatives may be returning Lithuania to Russia's sphere of influence. What a way to celebrate V-16 Lithuania's Independence Day!!!

Capitol Hill Operator: 202-224-3121, and ask for your Congressman Remember, call early and often.
